

# Sibos Registration Policy

Registration for and participation in Sibos are subject to this Sibos Registration Policy ("Registration Policy"). By submitting your registration for Sibos, you will be considered to have agreed to this Registration Policy.

## Definitions

'SWIFT' means S.W.I.F.T. SC and all its subsidiaries and branches. 'Sibos' means the 2022 Sibos event organised by or for SWIFT from 10 -13 October 2022 at RAI-Europaplein 24, GZ Amsterdam, The Netherlands.

'Sibos Registration Office' means BCD Meetings & Events, the company registered in the UK to which SWIFT has sub-contracted the registration to Sibos.

## Registration

Sibos is exclusively open to representatives of SWIFT Users (that is, SWIFT shareholders, Sub-members and other eligible SWIFT users), representatives from Sibos Partners, and other persons invited or approved by SWIFT. The individuals participating at Sibos are hereinafter referred to as "participant(s)," "you," or "delegate(s)."

## Procedure

All registrations must be made in advance online via the official Sibos registration website only. SWIFT acknowledges receipt of registrations. Registrations are processed on a first-come, first-serve basis. Once capacity is reached, any further registrations are put on a waiting list. SWIFT reviews registrations with a view to ensuring appropriate representation from the targeted audience. SWIFT will promptly notify those persons whose registrations could not be accepted. In any event, confirmation of registration is conditional upon full payment.

## Username and password

In order to register for Sibos, you will need to create an account. You are entirely responsible for maintaining the confidentiality of your account, as well as for all activities that occur under your account. In addition, you agree to notify SWIFT immediately of any (suspected) unauthorized use of your account or any other breach of security. SWIFT will not be liable for any loss that you may incur in the event of unauthorized access or use of your account.

## Registration Fees

Sibos registration fees are as set out on the official Sibos registration website (<http://www.sibos.com/>).

The registration fee for a participant includes participation in the conference, access to the exhibition, access to all or part of the Sibos Tools, one copy of all Sibos publications, and lunch.

Registration fees and any other related fees and charges are net of any taxes, such as, but not limited to, VAT (when applicable).

## **Indirect Taxes / Withholding Taxes**

For the correct application of indirect tax rules, similar but not limited to VAT, GST, withholding taxes or Sales tax, the Customer is deemed to be located at the place of the “Company details” as reported on the Sibos Registration form (i.e. “the Customer”). Upon specific request, the invoices can be sent to the place indicated under “Invoice details”. The billed entity remains however the “Company details” entity. Registration fees and conference passes for the event on-site, including ancillary services and exhibition spaces will be subject to domestic NL VAT at the rate of 21% unless the customer communicated his Dutch establishment address and VAT registration number in the Netherlands, in which case the reverse charge would apply. All fees for other services such as, but not limited to virtual attendance and advertising, SibosApp, Sibos TV, Sibos.com, flyers, media sponsors, ... are deemed to be provided at the place of the “Company details” and will be subject to the rules defined by the European VAT Directive EC/2006/112.

Companies from Malaysia, South Africa, Zimbabwe, Russia or Thailand may be charged the local tax at domestic rates according to the country’s regulation on digital services.

Fees and charges are net of any local taxes applicable in the country of the Customer, such as, but not limited to (when applicable) VAT, GST, Sales tax, withholding tax or any similar tax of any nature whatsoever. All present and future Customer's local taxes, as well as fines and/or penalties and/or interest assessed directly or indirectly on such amounts (if any) which may apply to fees or charges due for or in connection with the Conference, will always (even retroactively) be borne by the Customer. The Customer is solely responsible for paying any such local taxes in addition to applicable SWIFT fees, charges and computed taxes, if any. SWIFT cannot be held responsible for seeking any refund of such local taxes, and will not initiate any procedure to that effect

## **Payment Method**

SWIFT accepts payment for Sibos registration by credit card or electronic transfer. If you prefer to pay by electronic transfer, please indicate your intention to do so by using the appropriate section on the official Sibos registration website. An invoice with relevant payment instruction details will be sent to you via a link in your confirmation email.

## **Cancellation of Registration**

Full refund (less a EUR 250 cancellation charge) of the registration fee paid to SWIFT will be made on written notification of cancellation received by the Sibos Registration Office before 5 September 2022. No refund will be made in case of cancellations received after that date. Registrations made after 5 September 2022 are non-

refundable in the case of cancellation.

The cancellation of hotel reservation is under the participant or company responsibility and should be managed directly with the partner RAI. Hotel cancellation charges might be charged to the participant, as stipulated in the hotel booking confirmation.

## **Substitution**

You may transfer your registration to another person within the same organization at any time on written notification received by the Sibos Registration Office. The deadline for submission is five working days before the opening of the event- Monday 3 October 2022. The transfer of any associated hotel reservations requires credit card details of the substitute to be communicated to the official appointed housing agent (RAI). For the avoidance of any doubt, the transfer of hotel reservations is subject to the reservation terms and conditions, including where applicable any hotel guarantee provisions. If a transfer of registration results in a refund and new payment, the EUR 250,- administrative cancellation charge will be charged to the (registered) participant.

## **Event Cancellation, Postponement or Alteration**

If, for any reason whatsoever, SWIFT is forced to cancel, postpone or materially alter Sibos, in whole or in part, it will use all reasonable efforts to notify all registered participants reasonably in advance thereof. As sole and exclusive right and remedy, full refund of the registration fee paid to SWIFT will be made on reasonable demonstration to SWIFT that such cancellation, postponement or alteration adversely affects the participant concerned.
